

2 December 2011

Dear Parents/Guardians

We have been informed by the Head of Parkfield Primary School that one of their children was followed by a man in a car and offered a lift. The child refused and ran away. The man then followed, got out of his car and gave chase for a few metres then stopped, possibly because the child was nearing the Wellington Road.

The incident happened at 4.35pm in Manor Road. The man was middle aged with glasses; the car was a blue saloon with roof bars.

Needless to say the Police have been informed.

Please can you ensure your child is aware of the dangers of getting into conversations with strangers or getting into strangers cars.

All suspicious incidents should be reported to the Police.

Yours sincerely

**PAUL SCUTT  
HEADTEACHER**
