

Curriculum Days

Bishop Fox's runs 5 Curriculum Days to give students the opportunity to study a range of subjects in depth during the day and to participate in a range of trips and other experiences which are difficult to facilitate in a normal school day.

The programme has been carefully put together to enable a students over the 24 curriculum days they experience over the 5 years at the school to a wide range of experiences covering a full range of curriculum areas and visits.

The current curriculum immersion day offer is shown the in the table below. There are number of visits which all students will have the opportunity to participate in including in Year 7 Okehampton induction residential, Buckfast Abbey trip and a visit to @Bristol Science museum. Year 8 curriculum days includes a trip to Eden project , Cornwall and a visit to Technquest science and Maths museum in Cardiff. In Year 9 students visit The Big Pit mining museum and Holden Hill for orienteering while in Year 10 and 11 visits are based on GCSE option subjects.
