

October 2025

Bishop Fox's
High Standards & High Expectations

Dear Parents / Guardians,

Year 11 Raising Achievement Evening
Thursday 16th October 2025 at 6pm in the Theatre

At Bishop Fox's we aim for all students in Year 11 to achieve the best possible results in their external examinations. As a school we want to work with parents to ensure that the students feel as well supported as possible. In preparation for the external exams in the summer we organise "assessment windows" in Year 11 where students sit practice exams in the Sports Hall in most subjects. Assessment Window 1 begins on Monday 10th November and lasts for a two-week period. This is the first of two assessment windows, the second being from the 23rd February to 3rd March, in preparation for their final external exams in May and June 2026.

It is with this in mind that we would like to invite **all** Year 11 students and their parents/guardians to attend an evening arranged to raise achievement.

There will be a presentation during the evening which will include information about:

- How to prepare for Assessment Window 1
- Subject specific guidance for English, Maths and Science
- Information on health and wellbeing
- Information about the college application system
- Presentation from local colleges about post-16 education

Staff will also be on hand to answer any questions that you may have.

We hope that all students will be represented in some way and that the evening will help empower parents/guardians and advise students on how to organise their time and revision effectively.

Please click on the link below and complete the short questionnaire to allow us to plan for numbers. Please be aware that as there is limited seating, it is crucial to complete this by Monday 13th October.

Thank you for your continued support and we look forward to seeing you on Thursday 16th October at 6pm.

Yours sincerely

MS K TONKIN
