Bishop Fox's
High Standards & High Expectations

Dear Parents/Guardians,

At Bishop Fox's School we are committed to providing an education of the highest quality for all our young people and believe that this can only be achieved by supporting and promoting excellent school attendance for all. Only by attending school regularly and having excellent punctuality will young people be able to take full advantage of the educational opportunities available to them during these formative years.

Students who attend school consistently are better able to keep up with learning, build strong relationships with staff and peers, and develop the habits they need for success both in school and beyond. Even small amounts of missed learning can create barriers that will have a significant impact on progress over time.

To recognise and encourage positive attendance, we are pleased to let you know that all Year 9 students who maintain good attendance or who show a significant improvement in their attendance will be offered the opportunity to take part in a Traitors Experience at the beginning of next half term. This will be an exciting and rewarding activity designed to celebrate commitment and effort.

However, we understand that there can sometimes be genuine challenges that can affect attendance. If you are experiencing any difficulties or feel your child would benefit from additional support, please do not hesitate to contact us. We are always keen to work in partnership with families and are happy to offer guidance or put support in place where needed.

Thank you for your continued support. By working together, we can help ensure that every student gets the best possible opportunity to succeed.

Yours faithfully,

MS TABB
Head of Year 9
