BISHOP FOX'S SCHOOL

Monday 19th – Wednesday 21st July 2027

WELCOME

We are delighted to offer an exciting programme of experiences as part of Activity Days 2027.

These opportunities provide students with valuable experiences beyond the classroom, helping to develop independence, confidence, resilience and teamwork whilst creating lasting memories with peers and staff.

Our programme includes residential visits, extended day activities and school-based experiences, ensuring there is something for every student.

OUR COMMITMENT

Activity Days are an important part of our curriculum. We are committed to ensuring that all students can participate and benefit from these experiences and will work with families to support individual needs wherever possible.

We recognise that every student is different. The activity descriptions in this booklet are designed to provide a realistic picture of each experience so that families can make informed choices based on their child's interests, confidence, strengths and support needs.

Financial support is available for families in receipt of Free School Meals. If you would like to discuss this, please contact us in confidence at trips@bishopfoxs.co.uk. We encourage families to get in touch as early as possible so that support can be explored and planned where appropriate.

BOOKINGS AND PAYMENTS

Bookings are completed via Evolve.

A deposit is required to apply for a place. If a place cannot be offered due to oversubscription, the deposit will be refunded in full

Following confirmation, a payment schedule will be available through Evolve to allow the remaining balance to be paid in instalments.

Deposit deadline: Friday 19th June 2026

Confirmation of places: Friday 17th July 2026

If an activity is oversubscribed, places will be allocated fairly. Where a place cannot be offered, any deposit paid will be refunded. Failure to meet payment deadlines may result in a place being withdrawn.

Please ensure an activity choice is submitted within the published timeframe. Students who do not make a selection will be allocated a school-based activity, which may not be one of the activities outlined in this booklet.

Activity Days are a compulsory part of the school programme and students are expected to attend school during this period, whether participating in a trip or a school-based activity.

CHOOSING THE RIGHT ACTIVITY

We want every student to have a positive and successful Activity Days experience. Each activity description provides a realistic picture of the experience, helping families understand the environment, expectations and demands involved.

When reading the descriptions, please consider your child's interests, confidence, independence, physical abilities and any additional needs they may have.

- **What students will experience -** A realistic overview of what students will see, do and experience throughout the activity.
- **Environment -** Information about where activities take place and whether students will be indoors, outdoors or moving between locations. Descriptions will also indicate whether environments are likely to be busy, noisy, crowded or relatively calm.
- **Physical demands -** Information about activity levels, walking distances, participation requirements and any physical expectations.
- **Independence and social expectations -** Details about teamwork, following instructions, managing personal belongings and interacting with staff, instructors and peers.

ACCESSIBILITY AND INCLUSION

We want every student to participate.

If your child has:

- SEND
- Medical needs
- Anxiety
- Sensory needs
- Accessibility requirements

Please contact us before selecting an activity.

We will work with families and providers to explore reasonable adjustments wherever.

UNDERSTANDING THE "AT A GLANCE" GUIDE

Each activity includes an "At a Glance" summary to help families quickly compare activities. These ratings are intended as a guide only and should be read alongside the full activity description.

Feature	What it means
	The level of physical participation involved throughout the activity.
	The amount of walking, standing or moving between locations that students can expect.
	The extent to which students will work, socialise and participate with others.
	How busy, crowded or noisy the environment is likely to be.
	The proportion of time likely to be spent outdoors.
	Whether the activity includes overnight stays away from home.
	Whether the activity takes place outside the United Kingdom.
	The length of time students will be away from home, including any residential stays.

RATING GUIDE

Low – Limited physical, social or environmental demands.

Moderate – Regular participation required throughout the activity.

High – Sustained participation expected, with significant physical, social or environmental demands.

Families are encouraged to read the full activity description and contact the school if they would like to discuss whether an activity may be suitable for their child.

BEHAVIOUR AND CONDUCT

Students are expected to attend all three days of their allocated activity. Once places have been confirmed, changes may not be possible.

Activity Days are a privilege and an important part of the school curriculum. We expect all students to approach their chosen activity with enthusiasm, commitment, respect and a willingness to represent Bishop Fox's School positively.

All students must demonstrate behaviour and attitudes in line with the school's Behaviour Policy in the lead-up to, and during, Activity Days. This includes following staff instructions, behaving responsibly around the school site, remaining within permitted areas, treating others with respect and making safe choices at all times.

Participation in some activities may be reviewed where there are significant concerns regarding a student's behaviour, safety, attitude or ability to follow instructions. This may include repeated incidents of defiance, refusal to follow staff instructions, unsafe behaviour, entering out-of-bounds areas, serious breaches of the Behaviour Policy or behaviour that causes concern regarding the safety of themselves or others.

Where concerns arise, the school reserves the right to withdraw a student's place from an activity or trip, require a behaviour agreement to be put in place, or allocate an alternative school-based provision where appropriate.

Our priority is to ensure that all students can participate safely, positively and successfully whilst protecting the experience of other students, staff and visit providers.

3 DAY RESIDENTIALS

International

National

Local

**Watersports is a 7 day residential*

Watersports Adventure – France

7 Nights Residential

Friday 17th July – Saturday 24th July 2027
Cost: £1005
Places Available: 40

Activity Lead: Miss Whittaker

Spend an unforgettable week in the beautiful coastal resort of Soustons in South West France, taking part in an exciting programme of watersports and outdoor activities. Students will have the opportunity to experience activities such as surfing, bodyboarding, stand-up paddleboarding (SUP), kayaking and catamaran sailing, all delivered by qualified instructors in a safe and supportive environment.

Alongside the watersports programme, students will enjoy a visit to a local water park, time exploring the local area and evenings spent socialising with friends. This is an active and adventurous residential experience that offers plenty of opportunities to develop confidence, resilience, teamwork and independence whilst experiencing life abroad.

Water-Based Activities	Daily
Travel Abroad	Yes – France
Residential	Yes – 7 Nights
Time Away From Home	7 Nights

Is This Activity Right for Me?

This trip is ideal for students who enjoy being active, spending time outdoors and trying new challenges. Students should be comfortable participating in water-based activities and prepared for a busy programme throughout the week. The visit involves spending extended periods outdoors, taking part in physical activities

and being away from home for seven nights. No previous watersports experience is required, but students should be willing to participate fully in the programme and work positively as part of a group.

Accessibility

This visit involves international travel, residential accommodation and daily participation in outdoor and water-based activities. Students will spend extended periods outdoors and may encounter beaches, uneven ground, changing facilities, water-based environments and varying weather conditions throughout the week.

Qualified instructors will lead all activities, with appropriate safety equipment and supervision provided. While no previous watersports experience is required, students should be comfortable participating in physical activities in and around the water and following safety instructions carefully.

Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments and support arrangements can be considered where appropriate. The school will work with families and the activity provider to support participation wherever possible, although some activities may have specific safety requirements that affect participation.

Is This Activity Right for Me?

This visit is ideal for students who enjoy theme parks, spending time with friends and experiencing new places. Students should be comfortable with busy environments, large crowds, extended periods of walking and being

away from home overnight. A good level of independence, organisation and responsibility is important as students will be moving around the parks in agreed groups and managing meeting times throughout the visit.

Accessibility

Disneyland Paris provides a range of accessibility facilities, including accessible toilets, step-free access to many areas and support services for visitors with additional needs. However, students should be aware that the visit involves significant amounts of walking, extended periods of standing, busy environments, queues, crowds, loud noises and highly stimulating attractions throughout the day.

Students will be travelling internationally, staying in hotel accommodation and spending long days within the Disney Parks. A reasonable level of independence, organisation and stamina will be helpful in accessing the full experience.

Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the
before selecting this activity so that reasonable adjustments and support arrangements can be co
where appropriate. The school will work with families and Disneyland Paris to support par
possible.

London Experience

3 Days / 2 Nights Residential

Cost: £550
Places Available: 50
Activity Lead: Miss Rice

Experience the excitement, culture and energy of one of the world's most famous cities. This three-day residential visit to London offers students the opportunity to explore iconic landmarks, enjoy a West End theatre performance, take part in an interactive theatre workshop and experience the city from the water on a Thames River Cruise.

Students will spend time discovering London's rich history, culture and entertainment whilst travelling around the city using public transport. Alongside the organised activities, there will be opportunities to explore key areas of the capital and experience the sights, sounds and atmosphere that make London unique.

This visit provides an excellent opportunity for students to develop independence, confidence and organisational skills whilst experiencing life in a large city. Students will be expected to work responsibly within groups, manage their belongings and navigate a busy urban environment under staff supervision.

Is This Activity Right for Me?

This trip is ideal for students who enjoy exploring new places, experiencing live theatre and discovering the sights and culture of a major city. It is particularly suited to students who enjoy being busy, spending time with friends and developing their independence.

The visit involves significant amounts of walking, using public transport and navigating busy public spaces. Students should feel comfortable in crowded environments and be prepared for long, active days with a varied programme of activities.

A positive attitude, good organisation and the ability to follow instructions are important, as students will be travelling between locations, working within agreed groups and representing the school throughout the visit.

Accessibility

This visit takes place across central London and includes a combination of theatre visits, workshops, sightseeing, public transport journeys and walking between locations. Students should expect busy environments, crowds, traffic, noise and periods of standing throughout the visit.

Many venues, including theatres and visitor attractions, provide accessible facilities such as accessible toilets and step-free access where possible. However, accessibility can vary across London, particularly within older Underground stations and some historic locations.

Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments and support arrangements can be considered where appropriate. The school will work with families and visit providers to support participation wherever possible.

…s Activity Right for Me?

This trip is ideal for students who enjoy a mixture of excitement, exploration and learning. It combines the thrill of a major theme park with opportunities to experience sport, culture and history in a large city environment.

Students should be comfortable with busy public spaces, significant amounts of walking and spending long days away from their accommodation. The visit involves travelling between locations, following agreed schedules and participating positively as part of a group.

Whilst many students will enjoy the rides and attractions at Alton Towers, participation in individual rides will always remain a personal choice. Students can still enjoy the wider theme park experience without taking part in every attraction.

Accessibility

This visit takes place across a range of environments including a large theme park, museums, stadiums and city-centre locations. Students should expect periods of walking, standing, queuing and travelling between venues. Some locations may be busy, noisy and highly stimulating, particularly within Alton Towers and popular city attractions.

Many venues provide accessible facilities, including accessible toilets and step-free access in key areas. However, accessibility arrangements vary between attractions and some rides at Alton Towers have specific safety and accessibility requirements.

Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments and support arrangements can be considered where appropriate. The school will work with families and visit providers to support participation wherever possible.

St Ives Arts & Culture Experience – Cornwall

3 Days / 2 Nights Residential

Cost: £330
Places Available: 50
Activity Lead: Mrs Payne

Experience the stunning Cornish coastline whilst exploring art, culture and creativity in the vibrant town of St Ives. This three-day residential visit offers students the opportunity to visit the renowned Tate St Ives, take part in creative workshops, including sculpture activities, and explore the landscapes that have inspired artists for generations.

Students will enjoy a balance of structured activities and opportunities to experience the unique atmosphere of St Ives. The programme will include gallery visits, practical workshops, sketching opportunities and time spent exploring the town and coastal surroundings. Throughout the visit, students will develop creativity, observation skills and cultural awareness whilst enjoying time with friends in one of the UK's most iconic artistic destinations.

The visit combines educational experiences with the opportunity to experience life away from home, encouraging independence, organisation and personal responsibility within a supportive environment.

Is This Activity Right for Me?

This trip is ideal for students who enjoy creativity, art, culture and exploring new places. Students will have opportunities to visit galleries, take part in practical workshops and experience the unique coastal environment of St Ives.

The visit involves moderate amounts of walking, exploring the town and coastline, and spending time both indoors and outdoors. Students should be comfortable working independently at times, participating positively in group activities and managing their own belongings during a residential visit.

You do not need to be studying Art to enjoy this experience. The visit is suitable for any student who is curious, creative and interested in experiencing a different side of Cornwall through art, culture and local heritage.

Accessibility

This visit takes place within the coastal town of St Ives and includes a mixture of gallery visits, workshops, town exploration and time spent in outdoor coastal environments. Students may encounter slopes, steps, uneven surfaces, cobbled streets, beaches and varying weather conditions throughout the visit.

Many venues, including Tate St Ives, provide accessible facilities such as accessible toilets and step-free access in many areas. However, some parts of the historic town and coastline may present accessibility challenges due to the natural terrain and layout of the area.

Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments and support arrangements can be considered where appropriate. The school will work with families and visit providers to support participation wherever possible.

Outdoor Activity Camp – Mendips

3 Days / 2 Nights Residential

Cost: £435
Places Available: 50
Activity Lead: Miss Lowe

Challenge yourself with three days of adventure at Mendip Activity Centre, one of the South West's leading outdoor activity venues. Students will take part in an exciting programme of activities that may include climbing, abseiling, paddle sports, bushcraft, rafting and a range of team-building challenges, all delivered by qualified instructors in a safe and supportive environment.

Set within the beautiful Mendip Hills, this residential visit provides students with the opportunity to develop confidence, resilience, teamwork and independence whilst experiencing life outdoors. Alongside the activities, students will enjoy evenings around the campfire, time with friends and the chance to step outside their comfort zone whilst creating lasting memories.

Most of the visit will take place outdoors, with students moving between different activity zones across the site and working together to tackle a variety of physical and mental challenges.

Is This Activity Right for Me?

This trip is ideal for students who enjoy being active, spending time outdoors and taking on new challenges. Students will participate in a variety of adventurous activities throughout the visit and should be prepared for a busy and physically active programme.

The visit involves working closely with others, following safety instructions and spending extended periods outdoors in a range of weather conditions. Students should be willing to challenge themselves, support their peers and embrace new experiences. No previous outdoor activity experience is required, but a positive attitude and willingness to participate are important.

Accessibility

This visit takes place primarily outdoors and involves participation in a range of adventurous activities. Students may encounter uneven ground, woodland paths, slopes, mud, water-based environments and changing weather conditions throughout the visit.

Qualified instructors will lead all activities, with appropriate safety equipment and supervision provided. While many activities can be adapted, some may have specific physical or safety requirements that affect participation.

Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments and support arrangements can be considered where appropriate. The school will work with families and the activity provider to support participation wherever possible.

3 DAY EXPERIENCES

Non-Residential

These activities take place across all three days of Activity Days.

Students will attend the same venue or revisit locations throughout the programme, allowing them to develop skills, build confidence and fully immerse themselves in their chosen experience.

All activities return to school each day and do not include overnight stays.

Adventurers

Cost: £145
Places available: 50
Activity Lead: Mr Fairclough

Spend three days challenging yourself through a range of exciting outdoor adventure activities. Students will take part in experiences including Go Ape, mountain biking through Haldon Forest, climbing wall activities and a variety of team-building challenges.

The programme is designed to develop confidence, resilience, communication and teamwork whilst encouraging students to step outside their comfort zone and embrace new experiences. Students will visit a range of outdoor locations across the three days, working together to solve problems, support one another and enjoy the physical and mental challenges each activity brings.

This is an active, outdoor experience that offers plenty of opportunities for personal growth, achievement and fun.

Is This Activity for Me?

This activity is ideal for students who enjoy being active, spending time outdoors and taking on new challenges. It will particularly appeal to those who like adventure activities, working as part of a team and developing confidence through practical, hands-on experiences. Students should be prepared to step outside their comfort zone, support others and approach each activity with enthusiasm, resilience and a willingness to try something new.

Accessibility and Support

Students will spend most of the three days outdoors taking part in physically active adventure activities. Activities are expected to take place in woodland, forest and outdoor activity centre environments, where participants may encounter uneven ground, slopes, mud, gravel paths and varying weather conditions.

The programme includes activities such as mountain biking, climbing, high ropes and team-building challenges. Some activities may involve working at height, cycling over varied terrain or using specialist safety equipment under the supervision of qualified instructors. Students will be expected to follow safety instructions carefully and work cooperatively as part of a group.

Students should be prepared for sustained physical activity across the three days, including walking, standing, cycling and climbing. They will also need to manage personal belongings, suitable outdoor clothing and equipment throughout the programme.

We are committed to making Activity Days as inclusive as possible. Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments can be considered where appropriate. Further information may also be required from activity providers to determine the suitability of individual activities for specific students.

Horse Riding Experience

Cost: £165
Places available: 15
Activity Lead: Miss Butler

Spend three days developing your riding skills and confidence at Heazle Farm Riding Centre. This experience is designed for students who already have riding experience and are confident riding independently, including being able to perform a rising trot.

Throughout the programme, students will take part in riding sessions, horse grooming and practical horse care activities under the guidance of qualified instructors. Students will learn more about horse management, stable routines and safe handling whilst enjoying time in a calm rural environment surrounded by horses and farm life.

Activities will take place both indoors and outdoors depending on the weather and may include riding within the arena and around the wider farm environment. This is an excellent opportunity for experienced riders to develop their skills, knowledge and confidence whilst spending three days immersed in equestrian life.

Is This Activity for Me?

If you enjoy horse riding and would like to spend three days developing your riding skills whilst learning more about horse care, grooming and stable management, this could be the activity for you. The programme is designed for students who are already confident riders and are comfortable working around horses in a practical outdoor environment.

Accessibility and Support

Students will spend the three days at a rural riding centre and farm environment, taking part in riding sessions, grooming activities and practical horse care tasks. Activities may take place both indoors and outdoors and students will move between stables, paddocks, riding arenas and other areas of the site throughout the day.

The riding centre includes a mixture of stable areas, fields, tracks and farm pathways. Students should expect uneven terrain in places, including grass, gravel, mud and sand surfaces, with weather conditions potentially affecting ground conditions. Accessible toilet facilities are available onsite and first aid support will be available throughout the experience.

Students will be expected to follow instructions carefully at all times and demonstrate calm, responsible behaviour around horses, staff and other participants. Due to the nature of the activity, participants must already be confident riding independently and be able to perform a rising trot.

We are committed to making Activity Days as inclusive as possible. Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments can be considered where appropriate.

Theme Park Madness

Cost: £105
Places available: 70
Activity Lead: Mr Coomber

Three days, three theme parks and endless opportunities for fun. Students will spend an action-packed three days visiting Crealy Adventure Park, Woodlands Family Theme Park and Butlin's Minehead, enjoying a wide variety of rides, attractions and experiences.

From roller coasters and water rides to adventure zones, interactive attractions and swimming at Butlin's, each day offers something different. Students will spend time with friends exploring the parks, making memories and enjoying the excitement of some of the South West's most popular attractions.

This experience offers a mixture of independence, social interaction and adventure in environment.

Sport Stars, Fitness, Health & Wellbeing

Cost: £50
Available Places: 75
Activity Lead: Mr Moloney

Enjoy three days focused on fun, fitness and wellbeing, with activities designed to suit a wide range of interests and abilities.

Day One will be a celebration of sport and active participation on the Bishop Fox's School field, featuring activities such as glow dodgeball, bubble football, inflatable games, team challenges and a variety of other exciting sports and recreational activities. The day will have a festival atmosphere, encouraging students to get involved, work together and enjoy being active with friends.

Days Two and Three will focus on fitness, health and wellbeing. Students will take part in a range of activities designed to support both physical and mental wellbeing, which may include fitness sessions, team activities, outdoor exercise, wellbeing workshops and practical sessions exploring healthy lifestyles. The programme aims to encourage students to develop positive habits, build confidence and discover enjoyable ways to stay active and healthy.

This activity is suitable for students of all abilities and places an emphasis on participation, enjoyment and personal development rather than competition.

Is This Activity for Me?

If you enjoy being active, spending time with friends and trying a variety of activities, this could be the activity for you. Whether you enjoy sport, fitness, team games or simply want to explore ways to improve your health and wellbeing, this programme offers a fun and inclusive experience with something for everyone.

Accessibility and Support

Activities will take place primarily on the school site, including outdoor field spaces and indoor facilities where appropriate. Students should expect periods of walking, standing, running and participation in a variety of physical activities, although many activities can be adapted to support different abilities and levels of confidence.

The programme is designed to be inclusive and accessible, with a focus on participation, enjoyment and personal wellbeing. Accessible toilet facilities and indoor spaces are available on site, and activities can often be modified to accommodate a range of physical, medical or additional needs.

We are committed to making Activity Days as inclusive as possible. Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments can be considered where appropriate.

Music Magic

Cost: £45
Places: 30
Activity Lead: Miss Wride

If music is your passion, Music Magic offers three days packed with creativity, performance and fun. Designed for students who love music and enjoy getting involved, this vibrant and energetic programme provides opportunities to perform, collaborate and explore a variety of musical styles and experiences.

Students can expect a range of exciting activities, which may include samba drumming, musical theatre workshops, street band performances, karaoke sessions and music-themed films. Throughout the three days, students will develop their musical skills, build confidence and work together to create memorable performances in a supportive and enjoyable environment.

Whether you are an experienced performer or simply enjoy making music with others, Music Magic offers an opportunity to celebrate creativity and self-expression through music.

Is This Activity for Me?

If you enjoy music, performing, singing, playing instruments or working creatively with others, this could be the activity for you. Music Magic is ideal for students who are enthusiastic, willing to participate and keen to explore different musical experiences in a fun and supportive environment.

Accessibility and Support

Activities are expected to take place in a variety of school-based indoor and outdoor spaces and will include practical music-making, rehearsals, performances and group activities. Students should be comfortable participating alongside others in environments that may at times be busy, energetic and noisy.

The programme focuses on participation, creativity and enjoyment, with activities designed to be accessible to students with a range of musical experiences and abilities. Accessible facilities are available on site, and activities can often be adapted to support individual needs where appropriate.

We are committed to making Activity Days as inclusive as possible. Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments can be considered where appropriate.

Gamers

Cost: Free
Available Places: 60
Activity Lead: Mr Chandler

Spend three days immersed in the world of gaming, competition and digital entertainment. Whether you're a casual player or a dedicated gamer, this activity offers opportunities to play a wide variety of games, compete against friends and take part in organised gaming tournaments.

Across the three days, students will have the chance to explore different gaming genres, participate in friendly competitions and test their skills in both individual and team-based challenges. The programme will focus on enjoyment, sportsmanship and healthy competition whilst providing plenty of opportunities to socialise with other students who share a passion for gaming.

Prizes and recognition may be awarded for tournament winners, teamwork and outstanding participation throughout the event.

Is This Activity for Me?

If you enjoy gaming, competition and spending time with others who share similar interests, this could be the activity for you. Whether you prefer strategy games, sports games, racing games or multiplayer challenges, the programme offers plenty of opportunities to play, compete and have fun in a friendly and supportive environment.

Accessibility and Support

Activities will take place primarily indoors using school computer facilities, gaming equipment and shared activity spaces. Students will spend extended periods using screens, participating in gaming challenges and working both independently and alongside others.

The programme involves concentration, communication and problem-solving rather than physical activity. The social environment may be lively at times, particularly during competitions and tournament play, although quieter spaces may be available where appropriate.

Accessible facilities are available on site, and activities can often be adapted to support a range of learning, communication and additional needs.

We are committed to making Activity Days as inclusive as possible. Families are encouraged to discuss any medical, SEND, accessibility or support requirements with the school before selecting this activity so that reasonable adjustments can be considered where appropriate.

PAYMENT SCHEDULE: Gamers

No payment is required for this activity.

As this is a free activity, no cancellation charges will apply. However, students are expected to commit fully once places have been allocated so that activity numbers can be planned effect
